

Pre-K 1 At-home activities week of April 6, 2020

Dear Families,

This week, we will continue our unit on living things by continuing to talk about plants.

We will have weekly live Zoom conference calls for the children Wednesdays at 10am. I will send the link to join the call on Wednesday morning. The call will be about 20 minutes long, please be on time. Ms. Claudia and Ms. Desiree will be joining us this week! The children will be engaging in a "show and tell" session with their friends. Please select an item or piece of work that the children would like to show their peers. This can be related to our current living things unit – or not!

A few reminders:

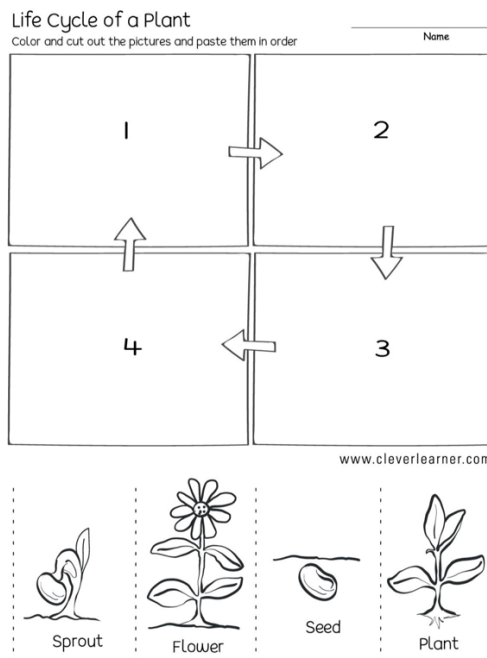

- Please continue sending in pictures of your children engaging in their remote learning activities.
- Please be sure to view the daily posts on class dojo each morning by 10am, this way, your child will be marked 'present' for the day.
- Please ask your child to write their name *independently* at the top of their work – they ALL know how to do it! 😊
- Please reach out to me if you have any questions. You can message me through Class Dojo (preferred) or email me at kjean@stmichaelsca.org.

Thank you,
Ms. Krystina

Monday 4/6

- **Read Aloud:** Plant the Tiny Seed by Christie Matheson
<https://www.youtube.com/watch?v=MHRDM5nb8Ks>

- **Follow Up:** The Life Cycle of a Plant with Ms. Krystina!: https://www.youtube.com/watch?v=w-CDgYAk_4M
- **Activity:** Create the "Life Cycle of a Plant" boxes for your child. Place numbers in the corner of the boxes and draw the arrows to show the directions. Support your child to fill in the boxes with the appropriate stages of the plant life cycle with a pencil by drawing the plant at the **seed, sprout, plant** and **flower** stages. Ask your child to draw their pictures when they have completed it and label each picture with the words: seed, sprout, plant and flower.

Tuesday 4/7

- **Read Aloud:** Lola Plants a Garden by Anna McQuinn <https://www.youtube.com/watch?v=f01WcOO8vbM>
- **Follow Up:** What kinds of plants did Lola and her mommy plant in their garden? Watch: The Cycle of a Plant Poem with Ms. Krystina!: <https://www.youtube.com/watch?v=hbQqWPNJTpQ>

- **Activity:** Draw a picture of a plant during the growing process – be sure to include the environment around the plant and the things that the plant needs to grow. Color your drawing. What kind of plant did you draw? Parents, please help your child label their drawing in one or two words.
- **Song:** The Green Grass Grows All Around:

Wednesday 4/8

Dear Families,

We will have our live Zoom conference call for the children today at 10am. The call will be about 20 minutes long, please be on time. The children will be engaging in a “show and tell” session with their friends. Please help your child select an item or piece of work that the children would like to show their peers. This can be related to our current living things unit – or not!

****Reminder-** Your child should be supervised by an adult during the duration of the call. The adult does not have to enter into the video, but the students should not be left alone during the call**

- **Zoom Video Meeting Link:** <https://us04web.zoom.us/j/720171445>
Meeting ID: 720 171 445
- **Read Aloud:** The Tiny Seed by Eric Carle
<https://www.youtube.com/watch?v=ls6wTeT2cKA>
- **Follow Up:** Review "The Cycle of a Plant" poem with your child
- **Activity:** Go on a scavenger hunt in your house. Give your child a specific color and have them find 5 items matching that color. Count with them as they bring you the different items.
- **Taekwondo:**
