

Ms. Stephanie's Weekly News

March 9th, 2020

Dear Families,

This week, we will be continuing our unit on Transportation, and we'll be reviewing what we've learned so far. The class will review the different types of transportation we see/use in our community, who operates them, and what they carry. We'll be reviewing what methods can be found on land, in the air, or in the sea. We will be making boats, wheel-art paintings, and rocket ships. We can't wait to get started!

Sincerely,
Ms. Stephanie, Ms. Coco, & Ms. K
