

March 20, 2020

Dear Parents,

Second trimester report cards are now available to be viewed on Option C. All parents were given the access codes in a letter distributed on March 13th. If you have any difficulty in viewing the cards please email the classroom teachers as they have the access codes and can help you also. If you have any questions about your child's progress please email the teacher Monday through Friday only. Please be patient as teachers may not be able to immediately answer texts and emails but they will respond to you. With Communication Folders and Interim Reports regularly distributed there should be no surprises about your child's progress.

Starting on Monday, March 23rd, DAILY assignments will be posted as opposed to weekly assignments. At our meeting yesterday, the teachers were reporting some confusion with weekly assignments. The teachers and I will continue to video conference a few times each week. Remember attendance and submission of work is required, not only by our school but by New York State Department of Education. Records are being kept as if we are in face to face learning.

If at any time you wish to contact me please email me at rogone@stmichaelsca.org. I am very happy with the support the parents are giving the teachers during this transition to distance learning and under the challenging times we all face. We will continue to work together for the education of our children. Thank you for your cooperation and support.

Sincerely,

Mrs. Maureen Rogone

Principal
