

# Pre-K 4 Weekly Activities

5/4 - 5/8

Dear Families,

Thank you so much for your continuous efforts and cooperation during this transitional period. We are so proud of all of our students! This week, we will be continuing our unit on "Living Things" and learning all about butterflies and other insects! You'll find fun songs, read-aloud stories, and crafts to engage with for the children. Please don't forget to send photos via ClassDojo of the children engaging with the material, and doing their work! As a reminder, please be sure to view my daily posts on Class Dojo each morning by 10:00 am so your child can be marked 'present' for the day. Take Care, Be Safe and Have Fun!

Sincerely,

Ms. Stephanie, Ms. Coco, & Ms. Lili

Cuando termine, haga una oruga con su hijo cortando un círculo para cada letra de su nombre, y un círculo para la cara de las orugas. Haga que su hijo escriba su nombre en su oruga escribiendo una letra por círculo.
