

## Pre-K 1 At-home activities week of May 25, 2020

Dear Families,

This week we will begin concluding our activities for this school year. We will begin preparing the children for what is to come: the end of their Pre-Kindergarten school year and the beginning of a new school year in Kindergarten with a new teacher, new friends and potentially a new school. When talking about Kindergarten, remember to be enthusiastic about their upcoming new experience instead of being sad about leaving PreK. The children are all older and smarter and ready for new experiences!

A few reminders:

- Please continue sending in pictures of your children engaging in their remote learning activities.
- Please be sure to view the daily posts on class dojo each morning by 10am, this way, your child will be marked 'present' for the day. You do not need to send me a message each morning, I can already see that you have viewed the post and I will mark your child present for the day.
- Please ask your child to write their name *independently* at the top of their work – they ALL know how to do it! 😊
- Please reach out to me if you have any questions. You can message me through Class Dojo (preferred) or email me at [kjean@stmichaelsca.org](mailto:kjean@stmichaelsca.org).

Thank you,  
Ms. Krystina
