

Pre-K Weekly Activities

5/11 - 5/15

Dear Families,

Thank you so much for your continuous efforts and cooperation during this transitional period. We are so proud of all of our students! This week, we will be continuing our unit on "Living Things" and learning about owning a pet, and how important it is to take care of your pets. Pets are part of our families, and have many needs just like we do! Some pets even have important jobs in our communities! You'll find fun songs, read-aloud stories, crafts, and games to engage with for the children. Please don't forget to send photos via ClassDojo of the children engaging with the material, and doing their work! As a reminder, please be sure to view my daily posts on Class Dojo each morning by 10:00 am so your child can be marked 'present' for the day. Take Care, Be Safe and Have Fun!

Sincerely,

Ms. Stephanie, Ms. Coco, & Ms. Lili
