

Pre-K 4 Weekly Activities

5/18 - 5/22

Dear Families,

Thank you so much for your continuous efforts and cooperation. This week, is our last week of our unit on "Living Things". We will be learning about birds, where birds come from, and about different types of birds! You'll find fun songs, read-aloud stories, crafts, and games to engage with for the children. Please don't forget to send photos via ClassDojo of the children engaging with the material, and doing their work! As a reminder, please be sure to view my daily posts on Class Dojo each morning by 10:00 am so your child can be marked 'present' for the day. Take Care, Be Safe and Have Fun!

Sincerely,

Ms. Stephanie, Ms. Coco, & Ms. Lili
