

# Pre-K 2 Weekly News

September 21, 2020

Dear Families,

Last week students were introduced to our daily schedule and routines. We talked about things they would like to do in Pre-K. We learned to sing the "Handwashing Song" and "The More We Get Together" song. We practiced how to walk in a line, sit like a butterfly and take turns playing with toys. We discussed the importance of social distancing and wearing a mask.

This week we will continue to explore centers and talk about how to use our classroom materials appropriately. We will begin to explore shapes and colors. We will write and sign a contract with our handprints to remind us that we always must try our best to make good choices in the classroom. Our classroom is our second home and we want everyone to be safe and happy.

Have a great week!
