September 28, 2020

Dear Families,

It is hard to believe we will begin the month of October this week! We will continue to explore centers and talk about how to use our classroom materials appropriately. We will explore shapes and colors and learn a new poem about shapes. We are so proud of the children. They are doing a beautiful job of adjusting to our school schedule. Last week we had our first fire drill. We discussed why it is important to have these drills as well as other rules in school that keep us safe.

Have a great week!
