

Ms. Stephanie's Weekly News

October 5, 2020

Dear Families,

This week is the start of our new unit - **The Five Senses!** We will begin to explore our five senses by understanding what body part functions for each sense, and learn that we see with our eyes, taste with our tongues, hear with our ears, smells with our noses, and touch with our hands. We will also learn the concept of being able to use more than one sense at a time, and experiment through fun games and activities. We can't wait to get started!

Sincerely,

Ms. Stephanie, Ms. Lily, & Ms. Coco
