Dear Families,

This week we will continue our investigation of the Five Senses by discovering all about leaves. Fall is a wonderful season to focus on all the changes that occur around us. It is the perfect time to explore trees. The students will use their five senses to gather information about leaves. I hope that everyone will be able to take a nature walk with your child and collect treasures such as leaves, pinecones and acorns. Please send them into school with your child so we can talk about them and explore them.

Have a good week!

Ms. Denise, Ms. Becca & Ms. Desiree

Great Books to Read:
