

Pre-K 2 Newsletter

October 26, 2020

Dear Families,

We hope everyone enjoyed the weekend. This week we are going to study pumpkins using our five senses. We will explore pumpkins in various ways including seeing and feeling what is inside of a pumpkin and counting seeds. The children will conduct an experiment to see if pumpkins sink or float! The class will participate in shared readings and poems about pumpkins.

Have a great week!
Ms. Denise, Ms. Becca & Ms. Desiree
