

Ms. Gina's Weekly News

October 13, 2020

Dear Families,

This week we will learn and explore all about apples through the use of our body's Five Senses. The children will participate in different activities that will help them in sorting information using their different senses. We will even be doing an apple taste test, to see which kind of apples the students like best! They will also learn about the different kinds of apples, the life cycle of an apple and the variety of products that come from apples.

Have a great week!

Ms. Gina, Sr. John Henry, & Ms. Diana

Books We Are Reading:

Apples

by Gail Gibbons

Ten Apples Up on Top

by Theo Lesieg

Apples, Apples, Apples

by Nancy Elizabeth Wallace

The Biggest Apple Ever

by Stephen Kroll
