

Ms. Gina's Weekly News

October 19, 2020

Dear Families,

This week we will continue our investigation of the Five Senses by discovering all about leaves. The students will use their five senses to gather information about leaves and the changes that they see happening with them. This is a great opportunity to take a fall nature walk with your child and collect some treasures (leaves, acorns, pinecones, etc)! If you are able to do so, have your child bring them into school, so we may use them for our hands-on learning activities!

Have a great week!

Ms. Gina, Sr. John Henry, & Ms. Diana
