

# Ms. Stephanie's Weekly News

October 13<sup>th</sup>, 2020

Dear Families,

This week we are exploring our senses with **APPLES**. We will be using our sense of sight to observe what an apple looks like on the inside and outside, and learning the different parts of an apple. We will also be using our sense of taste to try different types of apples, and see which one we each like the best. The children will be creating patterns using apples and paint while discussing the texture of the paint and the apples. We will be exploring our sense of taste further through a snack taste-test with sour, salty, and sweet treats 😊

Sincerely,

Ms. Stephanie, Ms. Lily, & Ms. Coco

## Birthdays This Month:

Edison Chew- 10/17  
Ryan Cai - 10/25
