

Ms. Krystina's Weekly News

Week of November 16, 2020

This week, we are going to wrap up our Five Senses unit by reviewing all that we have learned together. We will revisit some of the ways we explored with our senses together, some of the ways we explore with our senses at home and some of the ways our senses provide us with information about the world around us. We can use this information to make comparisons between lots of things. Talk to your child about the senses they are using during random moments in the day! Have a great week!

Sincerely,
Ms. Krystina, Ms. Shania &
Ms. Claudia
