

# Pre-K 2 Newsletter

November 9, 2020

Dear Families,

This week we will be exploring the topic of weather using our Five Senses. We will explore changes in the weather and how it affects our daily lives. We will discuss what clothes we wear and activities we engage in during different weather conditions. They will learn to identify the many different types of weather and weather-related vocabulary. We will also talk about the weather that accompanies each season.

Have a good week!  
Ms. Denise, Ms. Becca & Ms. Desiree
