January 11, 2021

Dear Families,

This week we will continue to learn about the community helpers that are all around us. We will discuss that there are many different careers to choose from. The students will also learn about things that we can do in an emergency and how to get help from emergency workers. We will sing songs and read books about specific occupations.

Have a great week!

Ms. Denise, Ms. Becca & Ms. Desiree

Community Helpers

(tune of Twinkle, Twinkle Little Star)

People help in our community.

They make things better

For you and me.

They keep us healthy, safe, and clean.

They coach us, feed us and, teach us things.

Things that one day will help us be

A big help to our community.
