

Ms. Krystina's Weekly News

Week of January 18, 2021

As we continue to discuss the work that our community helpers do each and everyday, we will focus in on some of the community helpers in the healthcare field. We will also discuss how we can keep our bodies healthy with the help and advice of healthcare workers. You can discuss with your child some of the daily practices your family has in place to keep your bodies healthy. Have a great week!

Sincerely,

Ms. Krystina, Ms. Shania &
Ms. Claudia
