

## Pre-K 2 Newsletter

January 19, 2021

Dear Families,

This week we will learn about the medical professionals in our community. We will discuss all about doctors, nurses, veterinarians, and dentists. We will learn how each one helps us to stay healthy. We will talk about the tools they use and uniforms they wear to do their jobs. The children will transform the dramatic play area into a medical office. Our medical professionals are heroes.

Have a great week!

Ms. Denise, Ms. Becca & Ms. Desiree
