January 25, 2021

Dear Families,

As we finish the month of January, this week we will learn about mail carriers, construction workers and sanitation workers. We will discuss how important these community helpers are. We will talk about the vehicles they drive and uniforms they wear to do their jobs. Our writing center will transform into a post office. These community helpers keep our neighborhoods thriving.

Have a great week!

Ms. Denise, Ms. Desiree & Ms. Becca
