

# Ms. Gina's Weekly News

January 19, 2021

Dear Families,

As we continue to learn about the workers in our community, we will learn all about doctors, nurses, dentists, and veterinarians. We will discuss the ways each one helps in our community and talk about some of the tools they use to do their jobs. You can talk to your child about the times that they have visited the doctor or the dentist and remind them that even though they sometimes feel nervous about going, doctors and dentists are here to help us!

Have a great week!

Ms. Gina, Sr. John Henry, & Ms. Diana
