

# Ms. Stephanie's Weekly News

January 19<sup>th</sup>, 2021

Dear Families,

This week we are continuing our Community Helpers unit, and learning all about **Doctors!** The class is going to learn how doctors take care of us, and how they help keep us strong and healthy! We will learn about the different tools doctors use, as well as the different types of doctors there are - Primary care Doctors, Dentists, and Veterinarians. The children will make their own doctor kits, stethoscopes, and more. We can't wait to get started!

Sincerely,

Ms. Stephanie, Ms. Lily, Ms. Coco
