

## Ms. Gina's Weekly News

March 1, 2021

Dear Families,

This week we will continue our unit on transportation. We will be comparing and contrasting different modes of transportation and applying that knowledge to help us sort vehicles into the different categories of air, land, and water travel. On Friday we will have a show and tell, the children will be able to bring a small transportation toy to show to the class on that day.

Have a great week!

Ms. Gina, Sr. John Henry, & Ms. Diana
