

# Ms. Stephanie's Weekly News

March 1<sup>st</sup>, 2021

Dear Families,

This week, we'll be continuing our unit on Transportation by learning the different types of transportation we see/use in our community, who operates them, and what they carry. We will be learning which methods of transportation are found on land, air, and sea. We'll be making our own trucks, airplanes, and hot air balloons! We will also play a Transportation sorting game so the children can practice sorting the vehicles by land, air, and sea. We can't wait to get started!

Sincerely,

Ms. Stephanie, Ms. Lily, & Ms. Coco

## Birthdays This Month:
