

Ms. Stephanie's Weekly News

February 22nd, 2021

Dear Families,

We hope that everyone enjoyed the break! This week, we are starting a new unit of study on **Transportation**. Our class will learn about the different methods of transportation that are used in the community, who operates them, and what they carry. Our class will learn new vocabulary like transportation, vehicle, and operate. We will learn about the different methods of transportation each of us uses in order to get to school, and we will learn about the importance of traffic lights. We have different crafts and activities planned, and we can't wait to get started!

Sincerely,

Ms. Stephanie, Ms. Lily, & Ms. Coco
