

 Welcome   
To Our School

## Ms. Gina's Weekly News

September 13, 2021

Dear Families,

Welcome to the first week of school! We are so happy to have all of you in our class! This week the children will spend time exploring their classroom, making friends and learning routines. As this may be their first time in school, please try to reassure them that the teachers are there for them as caregivers when they are away from you. Assure them that you will always be there at the end of the day, waiting to hear about their exciting day! This process of adjusting to being away from you can sometimes be a long one, so please try to be patient and just keep reminding your children how proud you are of their progress. If you have any questions or concerns, please don't hesitate to email me!

Have a great week!

Ms. Gina, Ms. Diana, & Ms. Michele
