

## Ms. Johana's Weekly News

October 4, 2021

Hello! We are starting a new unit this week – **The Five Senses!** We will begin to explore our five senses by understanding which body parts work for each sense. The children will learn that we see with our eyes, taste with our tongues, hear with our ears, smell with our noses, and touch with our hands. We will also learn the concept of being able to use more than one of our senses at a time, and experiment through fun games and activities. This will be fun!

### Books to Read at Home:
