

Ms. Krystina's Weekly News

Week of September 20, 2021

Dear Families,

Welcome to the beginning of a new week! This week, we will continue getting used to our daily routines. The students will be working on navigating our classroom and routines with increasing independence. The students will also be familiarizing ourselves with our normal daily schedule and using our classroom visual aids so they know what to expect at each point in the day. The students are doing great and are already learning so much little by little!

Have a great week!
