September 27, 2021

Dear Families,

It is hard to believe we will begin the month of October this week! We will continue to explore centers and talk about how to use our classroom materials appropriately. We will explore shapes and colors and learn a new poem about shapes. We are so proud of the children. They are doing a great job of adjusting to our school schedule. Our class will continue to learn about making "good choices" such as sharing toys and listening to directions. This week we will discuss why it is important to have fire drills as well as other rules in school that keep us safe.

Have a great week!

Ms. Denise, Ms. Claudia & Ms. Becca
