

 **Welcome** 
To Our School
Ms. Gina's Weekly News

September 20, 2021

Dear Families,

This week we will continue to help the children adjust to new routines and to being in school. Our goal is for them to be happy and to feel like their school is a second home! We will continue exploring our classroom environment and learning how to get along with our new friends! We will be learning about the importance of making "good choices" in our classroom and how they help keep all of us happy and safe. We will play a picture sorting game with examples of what "good choice" behavior looks like, such as sharing toys and listening when the teacher is talking. We will also learn about "poor choice" behavior, such as hitting or running in the class. Whenever we see a "good choice" behavior, it's a thumbs up 👍 and whenever we see a "poor choice" behavior, it's a thumbs down 👎, and time to make a better choice!

Have a great week!

Ms. Gina, Ms. Diana & Ms. Michele
