

Ms. Stephanie's Weekly News

September 20, 2021

Dear Families,

I am happy to say that the children have been adjusting to the classroom settings and routines very well! It's going to be a week filled with color in Pre-K 4. We are going to introduce a new center - the painting easel. We are going to talk about our primary colors red, blue & yellow, and discuss what happens when we mix them. We are going to do a fun science experiment that involves mixing water and food coloring, learn new songs, and talk about the children's favorite colors as well. This week we will also discuss about what we want to do in Pre-K, and get to know each other a little more! We can't wait to get started!

Sincerely,

Ms. Stephanie, Ms. Desiree, & Ms. K
