October 25-29

Greetings Families! We are starting to see the changes of the leaves, a sign of Autumn. In fact one of the children was looking up at the trees and was so excited to show me that the leaves were turning orange. As the wind was blowing in our playground I remarked to the children "See the wind is blowing the little leaves around?! The air is moving the leaves in circles!" They were excited and a few ran about trying to collect the dancing leaves. On Friday we will have a Halloween Party at school! Thank you so much for signing up to bring special treats for the class to share and enjoy! Information is posted to Class Dojo. Also this week we will be making Halloween decorations! Check your children's backpacks on Friday for all of their art projects. They take great pride in their artwork!!
