

# Pre-K 2 Newsletter

November 1, 2021

Dear Families,

This week we will continue to discuss the topic of weather using our Five Senses. We will read books about the kind of weather that accompanies each season. The students will learn about the seasons through hands-on activities, including the sorting of summer and winter clothing. We will learn how animals prepare for the different seasons. Each child will create a "Four Seasons Book" and on each page the children can draw a picture of something they like to do in that season. The four seasons is a great theme to learn about weather, clothing and nature.

Have a great week!

Ms. Denise, Ms. Claudia & Ms. Becca

## Some books we are reading this week:

*Rain* by Manya

*All Around the Seasons* by Barney  
Saltzberg
