

Ms. Gina's Weekly News

October 25, 2021

Dear Families,

This week we are continuing our study of the five senses by exploring all about pumpkins! There are so many wonderful hands-on learning opportunities that we will explore; including, scooping out the inside of a pumpkin and counting the seeds! On Friday, we will decorate pumpkins and have a small Halloween celebration. You may send in goody bags for the class if you wish. Children may wear their costumes over their regular clothing. Please remember, no weapons of any kind and children must still wear their masks.

Have a great week!
