

# Ms. Gina's Weekly News

November 1, 2021

Dear Families,

As we have been experiencing some pretty drastic changes in our weather lately, this is a great time to begin learning about the seasons and weather. This week we will be focusing on the four seasons and the differences we see during each one; next week we will focus on weather and how it affects us. The children will explore the seasonal changes that occur in the environment using their senses. They will also learn how weather and nature vary depending on the season

Have a great week!

Ms. Gina, Ms. Diana, & Ms. Michele

## Books We Are Reading:

*Peppa's Windy Fall Day* by Barbara Winthrop
