

Ms. Stephanie's Weekly News

October 12th, 2021

Dear Families,

This week we are exploring our senses with **APPLES**. We will be using our sense of sight to observe what an apple looks like on the inside and outside, and learning the different parts of an apple. We will also be using our sense of taste to try different types of apples, and see which one is our favorite. The children will be creating patterns using apples and paint as well as engage with sorting games and activities. We can't wait to get started!

Sincerely,

Ms. Stephanie, Ms. Desiree, & Ms. K
