

Pre-K 2 Newsletter

November 15, 2021

Dear Families,

This week the children will participate in many different sensory experiences. In class we will be smelling different scents and making snow. As our unit on the Five Senses comes to an end, we will explore a specific sense each day using what we know to guide our explorations. Studying the Five Senses has helped the children expand their understanding of the world around them.

Have a good week!

Ms. Denise, Ms. Claudia & Ms. Becca
