Dear Families,

This week our students will be studying about families.

- We all belong to a family.
- Family members care for each other and do many things together.
- There are many types of families.
- Each family member is important and special.

Students will also learn how to sing the "FINGER FAMILY" song. We will read the poem "I AM ME" and engage in conversations about what they like to do with their families. We will continue to talk about "good choice" behavior and problem-solving solutions.

Have a great week!
Ms. Denise, Ms. Becca & Ms. Claudia
