

Ms. Gina's Weekly News

November 8, 2021

Dear Families,

This week we will be continuing our five senses unit by exploring the topic of weather. The students will explore changes in weather and how weather affects our environment; the activities we engage in and the clothing we wear. They will be learn to identify the many different types of weather conditions and learn about how weather is forecasted. We will even make our own "snow"!

Have a great week!

Ms. Gina, Ms. Diana & Ms. Michele
