Ms. Gina’s Weekly News
November 29, 2021

Dear Families,

This week we will begin a new unit of study called All About Me. The goal behind an All About Me theme, is to help children learn about each other and each other's families! This theme helps children to realize that every person is unique and special. They also learn that every child’s thoughts and ideas are important and no one person is more or less important than another! This week, we will be focusing on families and the things that make all families special!

Have a great week!
