Ms. Gina’s Weekly News
December 6, 2021

Dear Families,

This week we will continue our All About Me study by learning about Feelings and Emotions. We will be learning all about the different emotions people experience and how to deal with them in different social situations. We will also be learning how our facial expressions can convey to others how we are feeling. You can help your child learn to express their feelings by having them look into a mirror to see their faces and express what they see and how they feel. Ask your child to talk about things that make them happy, sad, angry, excited, etc.

Have a great week!
