

Miss Bess Newsletter
December 6-December 10

Greetings Families! As Christmas is approaching the children are getting very excited!! Last week we wrote a letter to Santa, asking him some questions and giving him some hints as to what we want for Christmas. Miss Bess has been very busy working with the elves putting together some Christmas treats. Shhhh! That's a secret for the children!! We were so delighted to have conferenced with all of you last week. The connections we have made with your families are priceless. We love, care and guide your children as if they are our own. We will continue to learn about ourselves, our classroom, taking turns, sharing and practicing playing and moving about safely. This month we will be learning more about what it is to be a group; working together, playing together and caring for one another.

As always, please contact me through Class Dojo if you have any questions or need to chat about anything.
