Dear Families,

Last week the children loved the book "Subway" by Christoph Niemann. This week we will be building our own number 7 train and train tracks. We will be reviewing the different modes of transportation and learning about the different community helpers who operate them. The children will discuss transportation safety rules and signs.

Have a great week!
Ms. Denise, Ms. Claudia & Ms. Rebecca

Great Books To Read

Freight Train by Donald Crews

Subway by Cristoph Niemann

Whose Vehicle Is This by Sharon Katz Cooper

The Goodnight Train by June Sobel
