Ms. Gina’s Weekly News
March 7, 2022

Dear Families,

This week will conclude our study of transportation. We will be learning about the many ways to stay safe when using transportation. Take this opportunity to encourage your child to recognize different signs they see in their neighborhood and what they mean. You can also point out letters and numbers that are on the signs. This is also a great opportunity to point our letters and beginning sounds.

Have a great week!
Ms. Gina, Ms. Diana, & Ms. Michele
