Ms. Gina's Weekly News
February 28, 2022

Dear Families,

This week we will be learning about the different vehicles we see in and around our community and why they are important to us. The children will share about the vehicles they have seen in our community and what they know about them. We will study emergency vehicles and the special features they have. We will create vehicles using clay and other art materials.

Have a great week!
Ms. Gina, Ms. Diana, & Ms. Michele
