Dear Families,

We are so happy to be back at school with our friends after our brief period of remote learning. This week, we are celebrating Valentine’s Day and continuing our new unit on Transportation! We will be discussing why Valentine’s Day is special for everyone and a day to celebrate love. We will be discussing different transportation methods and ask the question “How Do You Get to School?” Our week will be filled with different activities and crafts, and we can’t wait to get started!

Sincerely,

Ms. Stephanie, Ms. Desiree, & Ms. K
