Ms. Stephanie’s Weekly News
February 28th, 2022

Dear PK4 Families,

Welcome back! We hope everyone was able to enjoy the break, and squeeze in some relaxation. This week, we’ll be continuing our unit on Transportation by learning the different types of transportation we see/use in our community, who operates them, and what they carry. We will be learning which methods of transportation are found on land, in air, and in the sea, and participate in different crafts and activities. We can’t wait to get started! 😊

Sincerely,
Ms. Stephanie, Ms. Desiree, & Ms. K
