Dear Families,

As we continue our unit of study on living things, this week, we will learn about different kinds of aquatic animals. The ocean is a magical place that is full of life! We will talk about where these animals live, what they eat and about their families. The children will participate in shared readings and stories about sea creatures. Our class will create their own "Under the Sea" mural!

Have a great week!
Ms. Denise, Ms. Claudia & Ms. Becca

Important Reminders:
*Please check your child's folder each day.
*4/13 - 12:30pm dismissal for Pre-K
No lunch or after school program available
*Easter Recess begins on 4/14 and classes resume on 4/25.
Happy Birthday to Chloe and Erick who have birthdays this month!

Great Books to Read:
I'm the Biggest Thing in the Ocean by Kevin Sherry
Commotion in the Ocean by Giles Andreae
Mister Seahorse by Eric Carle
The Rainbow Fish by Marcus Pfister
