Ms. Stephanie's Weekly News
April 4th, 2022

Dear Families,

This week we will be continuing learning about living things, and shifting our focus to aquatic animals! The children will be learning about different animals that live in the ocean, what they eat, and what they need in order to stay alive. We have many different crafts and activities planned, and we can't wait to get started! Have a great week.

Sincerely,
Ms. Stephanie, Ms. Desiree, & Ms. K
